

# VENTOUX ROSÉ

## CAROLINE BONNEFOY

### TERROIR

Vineyard located on the northern slopes of Mont Ventoux, clay-limestone soil and subsoil.

### GRAPES VARIETIES

Grenache, Cinsault et Carignan

### VINIFICATION

Fermentation at low temperature in order to preserve the primary aromas.

### TASTING

Light pink wine. The very delicate nose develops aromas of English sweets and cherry jam. The attack is frank. The crispness is carried by the freshness. Long and fresh finish.

### FOOD AND WINE PAIRING

To be enjoyed as an aperitif or to accompany salads, grilled meats and Mediterranean dishes.
